## OUTSPAN CHRONICLES

### YZERFONTEIN OUTSPAN – 26TH – 28<sup>TH</sup> APRIL 2019

WOW, what an awesome weekend of laughter, sharing and fellowship. It is priceless when we are able to fall asleep to the sound of the crashing sea waves and wake up to the birds chirping. And let's not forget the phenomenal weather for this time of the year.

Friday night's geselsvuur was extremely well attended, with several fires keeping everyone warm and cosy while we all engaged in various conversations filled with fun and laughter. Ingrid and Bronwyn celebrated their birthdays - cake and eats was provided - what a bonus and Leighton kindly made some soup to warm up the folk into the night. As the evening progressed randomly, everyone turned in after feeling the impact of the week.

Saturday morning everyone was left to their own devices; campers were just enjoying the camp, others went sight-seeing (we know who this is with their new FORD!), visited the cake shop, nursery and opted to enjoy breakfast at a quaint little venue just outside of the camp. Not forgetting the folk who visited SPAR to shop for their braai-pie fillings.

The rest of the day was enjoyed one way or another up to around midday when the hustle and bustle started with the preparation of the various pie fillings. Laager 21 you guys **"ROCK"**, you always up for a challenge. Who would deliver the most creative braai-pie filling?

The 'braai-pie' taste challenge was arranged for around 7:00pm with Bronwyn and Russell appointed as the TASTERS. The pies which were presented were FABULOUS, DELICIOUS and so CREATIVE. There were numerous chicken pies, curry pies, steak pies, smoke chicken and leeks, even dessert pies with marshmallows and chocolate as well as apple, caramel and nuts. Definitely a prize-winning evening! Once the tasters finished and the sharing of pies tapered down, the celebrations continued until late in the evening with good conversation, drinks and music.

Our musicians John and Benny – not forgetting their support “BAND ON THE RUN” lead by none other than Leighton, provided a mix of golden oldies which we all sang along to. Some of the Alzheimer’s clan could not remember all of the words so we were most thankful to our lead singer, BEVERLEY. Some of the **BABY BOOMERS**- shame tried to keep up with the **MILLENNIALS**, who google the lyrics, it’s just not fair. When “BAND ON THE RUN” literally ran to bed “DJ ITUNES CLINT ILOUD” provided music while we waited to celebrate Desiree P’s birthday at midnight. The music was that good that LEON and BENNY could not contain themselves and turned into swans, providing us with a spontaneous LIVE Ballet Show. Just holler, the video is available on request. We have some hidden talent in Laager 21. Regrettably as always, when the fires are at their best it was LALA time.

The comraderie this weekend was outstanding. Everyone’s energy and participation is what made this weekend the great success that it was.

Thank you for a phenomenal effort by all.

Looking forward to the next camp, LAAGER 21!.

## General:

- ONRUS:  
The Onrus outspan resulted in a surplus of R3000 due to payment of the initial deposit and after receiving the final invoice of R6000. Initial costing was for R9000. This money will be kept for next 6 months pending a possible invoice after Onrus reconciles their books.
- SOUP:  
The club is growing and the pot mixture is too getting too much.  
A suggestion was made to rather have a BRING SOUP & SHARE it around the Friday's geselsvuur.  
Following discussion on this aspect the suggestion was adopted that only a green (veggie) mixture soup be mixed and shared, however members are encourage to bring along any flavour of soup to share, the aim being that we encourage members getting together.
- NAGM 2019  
The invitation to the NAGM 2019 will be forwarded to the members via email next week.  
Costs for the weekend is R300 per person per weekend – R600 per couple
