

KLIPKRANS

23 to 25 September 2022

We arrived at Klipkrans to a clean and very green campsite. Would have been almost perfect if it was not for the miggies during the day (lol). This was a first for many of us at this campsite. The weather as usual played along to add to a very enjoyable camp. Friday evening everyone did their own thing but Saturday evening everyone enjoyed the boerie rolls and a snack table that

was provided. It was lovely to see so many youngsters enjoying themselves with L21 members, it's definitely the way to go. Sunday morning after Indaba everyone packed up and left for home.

It was an honour to host our fellow L21 members and to welcome our new members Nippie and Ursula van Eeden

Till next time.

Yours in camping

Hosts Ingrid and Don Jurgens
