

L15 Ganzekraal Outspan – 20-22 October 2023

One word to describe this outspan is WINDY 😊 However we were a resilient group and made the most of our time out there.

Ganzekraal is a beautiful beach camp on the West Coast with lovely grassy plots it has wonderful views and stunning sunsets.

I was responsible for hosting on this weekend and we had ice-cream with chocolate sauce, Astros and cones on both evenings where all campers could come and help themselves to a bowl.

Being the weekend of the Rugby World Cup semi-finals, we had the Lawrence family visiting from L21 streaming the games from their iPad so that no-one could miss out.

Saturday was extremely windy, and some had to do damage control with broken poles etc. it died down by the evening side so that all could chill a bit more. The members certainly kept the gees going!

At our Indaba we held a by-election to vote in a vice chairman and Benjamin Pietersen was elected as Vice-Chairman of Laager 15, we are happy to have his wisdom and mentorship in our Exco!

We also had Ashlene & Kevin as well as Randall Daniels receiving their milestone tags for 15 Outspans. CONGRATULATIONS!!! 🎉 🍷
