LAAGER 7 - Imhoff Caravan Resort

8th to 10th December 2023

Greetings fellow campers,

We hope this newsletter finds you well and still basking in the warm glow of our recent camping adventure at Imhoff in Kommetjie. The weekend was nothing short of good company, filled with laughter, and the sharing of old and new stories.

Friday:

The adventure began on Friday as we arrived and set up camp amidst the scenic beauty of Imhoff. The rain joined our gathering as we huddled around the geselsvuur, creating an intimate ambiance that only a campfire can provide.

Despite the weather, spirits remained high, as we celebrated the setting up of our new Laager Banner flags – a proud moment with lots of compliments from our neighbours, Laager 8, who were also enjoying the weekend at Imhoff. A proud moment we will remember for years to come!

Saturday:

Saturday morning welcomed everyone to a day of leisure. Each camper had the freedom to pursue their own activities, whether it was exploring the natural wonders around Imhoff, or simply relaxing at their campsites. The wind picked up a bit, adding a touch of adventure to the day.

At 1pm, we all gathered for a festive Christmas lunch at Frans in Simonstown. Despite the wind and the interruption of unwelcome baboons, the joy of the season filled the air as we enjoyed a delicious meal. The food not only exceeded our expectations in terms of quality but also offered great value for money, with generous portions leaving everyone satisfied!

As the sun set, our evening continued with a Bring & Share event at the Cable's site. The area was adorned with Christmas lights, and the sound of music and crackling fires added to the festive atmosphere. It was a night of shared stories, good food and the warmth of community spirit.

Sunday:

Sunday graced us with the best weather imaginable! An invitation to join Laager 8's Carols morning was accepted and thoroughly enjoyed by all. The camaraderie was appreciated by Laager 8!

It was inspiring to see the enthusiasm and commitment from our members as we charted the course for exciting times ahead, with input from all.

As we packed up our gear and bid farewell to Imhoff, we couldn't help but feel grateful for the memories made, the bonds strengthened, and the exciting plans for the future. The camping trip was not just an escape into nature, but a journey into the heart of our community, where camaraderie thrives, and every moment becomes a cherished memory.

Stay tuned for more adventures and happy camping!
