### Oostewal Outspan

26 to 28 January 2024

Oostewal was attended by 4 x families and thanks to L15 who also had 4 x families that attended with us. Friday we all just relaxed around the fires and had some good laughs. Saturday all of us took a walk down to Pearly for breakfast. We walked back to camp along the beach, some of us were brave enough to walk in the water. At 5pm we started our fires and had a braai we supplied the salads. We all sat around the geselsvuur and everyone had a really good time, with a bit of music and dancing. Sunday Indaba was at 10am, we wished each other well and all set of home.

*John and Sandra Murray*

## General

1. NAGM plots notice, members to indicate who is going, chalets/campsites to be booked directly with Willows
2. Steak and bingo night at Red Barn Southfield R120 and Sandra has tickets.
3. Randall thanked L21 for allowing L15 to come along on the weekend, it was very relaxing, nice walk up and down to the shops, and he's keen to introduce e.g. a walk - doing something together as a laager.
4. Benny shared Laager 20's idea of choosing a fines master i.e. a bunch of strings held and members pull a string - shortest and then you the fines master. He also shared that they open the floor/groundsheet to allow for additional fines to be awarded, however you pay a fine when fining someone else.
5. Benny also advised that Laager 15 is donating R3500 worth of stationery handed over to Leliebloem Children's Home. [leftover monies of NAGM Jazz Evening Fundraiser].

**Tips for campers** – Kill the fires before you go sleep!
