

TORC LAAGER 7 SKRUWEKOP CAMP NEWS 3rd to 5th MAY 2024

The weekend of May 3rd, 2024 marked an unforgettable camping experience for our Laager 7 at Skurwekop in Robertson.

Amidst the picturesque setting of lush green grass and the ever-changing Cape Town weather, we convened for our Annual General Meeting (AGM) and indulged in the camaraderie of camping life. Our AGM commenced seamlessly at 2 pm, with existing members eagerly standing for another year. Launched September 2023, our Laager 7 had already formed a tight-knit community, evident in the smooth proceedings of the meeting. Despite being a new Laager, our members demonstrated dedication and enthusiasm, ensuring the continued success of our group

TORC LAAGER 7 SKRUWEKOP CAMP NEWS 3rd to 5th MAY 2024

True to Cape Town's reputation, the weather during our camping weekend showcased a delightful medley of rain, sun, and wind. While the rain added a soothing rhythm to our evenings, the bursts of sunshine provided the perfect backdrop for outdoor activities.

Thanks to the Cable family who brought along their gazebo we all huddled under.

Adding to the vibrancy of our weekend, we were delighted to welcome two families who decided to join our Laager. Their presence enriched our gatherings, infusing new energy with the sounds of the children. Their decision to become part of our Laager reflects the welcoming and inclusive atmosphere we strive to foster.

Following the AGM, we gathered for a hearty supper at 7 pm, a well-deserved reward after a productive day of preparation, discussions, and decision-making. The evening was filled with laughter, shared stories, and delicious food, creating cherished memories that will linger long after the weekend has ended.

Thank you to all the members of Laager 7 who joined in the preparation and enjoyment of the weekend. Let's continue to strive and share our views so that we can ensure the success and growth of Laager 7.
