

MILLERS POINT 9-11 DECEMBER 2022

Even though Millers is a favourite campsite amongst our members we also know from experience that the wind can howl so a few members arrived early on Thursday to get the plots sheltered from the wind. Thursday and Friday the weather was hot with just a gentle breeze – perfect for lazing on the beach which some members took advantage of. Friday afternoon most caravans were decorated with xmas lights and trimmings and it was a pleasure

sitting around the geselsvuur on a perfect evening. Saturday morning everyone was busy either cooking or out at the shops buying items for the xmas lunch while some explored the local restaurants and shops in Simonstown and Glencairn.

Saturday afternoon everyone rallied around to set up for the Christmas lunch. It was an exciting afternoon when everyone received a gift from Secret Santa. The xmas roast, salads and desserts was truly delicious and a huge thanks goes out to all those who contributed in some way.

Sunday morning was a bit windy so after Indaba most members packed up and headed home while a few others enjoyed the beautiful view and beach.
