## LAAGER 8

WOLVENBERG KLOOF 17th-19<sup>th</sup> September 2021

Some of our members arrived early for the weekend. The Conradies, Heaths, Pieters, Bond-Smiths were all well settled by the Friday when The Browns and I arrived to be followed later by the Brinkleys who were visiting us for the first time. It was good to see that Dave is feeling fit again and he kindly helped me a lot. Angela is almost back to normal too thankfully.

It was great to meet Sheena and Peter and after a bit of chatting we all were settled. The campsite is large with plenty room to spread out, there are plenty power points and they have planted about 20 saplings of some kind of nut tree, the ablutions are surprisingly modern and spacious and there are plenty separate toilets and showers. Great hot water and shower heads too.

Later we congregated in the Boma and caught up with Colleen and Alex whom we hadn't seen for a long time and Rose who hadn't been well for the last Outspan. Fires were lit for the braais and soon we were chatting and eating and tipling. Our usual Friday night reunion.

The weather remained good for the weekend and folk went off for walks in various directions. Brian was kept busy stoking the fire for the Jacuzzi aided by Leslie and Johan from time to time. Alex played happily with his new drone while the ladies chatted and got to meet friends of Colleens' who had come to visit for the day. Later some of the gents and ladies ventured in to the Jacuzzi which was really pleasant and warm, before the sun went down. As usual some of us braaied while others had potjies and we continued to enjoy the company.

Sunday was a little overcast but the rain hadn't arrived, so those of us who were going home took down our awnings just in case. After Indaba and a bite to eat, myself and the Pieters were on our way home after another great weekend. This will be a great venue for cooler month Outspans, but a bit hot in summer until the trees grow and provide some shade.

Dave welcomed us all to Wolvenberg Kloof and a special welcome to Sheena and Peter who were our visitors.
