## **LAAGER 15 OUTSPAN – STILLE WATERS – 27<sup>TH</sup> – 29<sup>TH</sup> MAY 2022**

**We all arrived at Stille Waters with beautiful weather. Everyone set up their campsites and we got ready to celebrate Kyle's birthday.**

**Some campers decided to stay up until sun rise (but I won't mention any names) as the weather was so lovely.**

**On Saturday morning most people went and explored the town and when we returned the rain had started.**

**We had an eventful afternoon planned with games and potjiekos under the Lapa, but due to load shedding we had to cancel.**

**Load shedding, however did not stop us from kuiering at the geselsvuur, although the electricity only came on a couple of hours after the scheduled time.**

**Early hours of Sunday morning we awoke to a storm and most of us packed up and journeyed home after Indaba.**

**Thanks to everyone for an awesome weekend.**

**Lawrence Family.**
