LAAGER 8

Onrus Resort 14 to 16 October 2022

Laager 8 decided to try out Onrus caravan park after not going there for a while due to security issues. Alex and Colleen and Brian and Dawn went early on the Wednesday. Johan and Rose arrived on the Thursday and Dave and Angela & Les and Marieta arrived on the Friday. It rained on Thursday morning and the whole of Friday and Saturday. We were fortunate to have a very sunny warm day on Sunday. We found the park quite sheltered from the wind. There seemed to be good security the whole time we were there at the park. The bathrooms were kept very clean and well maintained. The sites we were allocated were on the small side and it was decided that should we return, we will request the larger sites.

On the Friday night most of us braaied. We all got together on Saturday for the birthday celebration of different cakes. Each couple had baked either a cake or a tart. There was an amazing variety of cakes and tarts which everyone really enjoyed with very little left over. On Sunday Doug and Sue and Scotty drove through to join us for the Indaba and lunch.
