TORC LAAGER 7 STILLEWATER OUTSPAN 15th – 17th March 2024

We battled a bit with gusts of wind while setting up, but once set-up was done, we all settled down to relaxing around the Lapa area. Most enjoyed the geselsvuur under the beautiful starlit skies on Friday night.

The 2 toddlers enjoyed the freedom of running around and riding their scooters on the enclosed secluded campsite.

Saturday greeted us to a beautiful sunny day and some of our visitors ventured to visit another farm for some wine tasting. Some members went for a walk to view the other campsites on the farm and whilst walking, was tempted to taste some of the ripe grapes on the vines.

Saturday evening everyone met at the Lapa area with some playing board games, with others braaiing for supper. Dessert (malva pudding, custard & ice-cream) was prepared by the hosts.

Sunday morning, after Indaba, everyone proceeded to pack up for the journey back home.

Until the next camp!

Nicky & Gavin Vicars
