

## Strandskloof - Gansbaai - 14-17 June 2024

Another awesome resort we visited. Great memories were made with our Laager 15 campers. The long weekend seemed to still be too short.

The resort itself is well maintained with lushes green lawns and large hedged sites, the ablutions are spotless day and night. Definitely worth another visit.

Weather man Piet dealt us a generous portion of sunshine everyday and our evenings passed with lots of gesels fires to keep warm.

Saturday afternoon The Jutzen's had everyone participating in "A minute to Win it" balloon games. This created so much fun and laughter. The winners walked away with lovely prizes. It was something different and enjoyable.

Thanks to the Daniels family the kids got to enjoy a movie night, watching Sing under the stars.

All the father's had a relaxing morning at the hot water pools while their loved ones prepared or helped them making father's day lunch.

What a memorable long weekend well enjoyed.
