2024 Christmas Wish

HO HO HO its Christmas Time!!!

As the year winds down many of us are working to meet deadlines before the much anticipated holidays. The last few months have been spent planning how to keep adults and grandkids entertained, Moms are checking if there are enough rusks etc. in the house and Dad is making sure there is enough firewood and refreshments for a year. With the schools that have closed, the youngsters must be making full use of Mom's taxi and dad's deep pockets. Do not forget the all-important presents for young and old. Hope you all made good use of Black November. Remember it's the thought that counts not the size.

When we sit around the Christmas table, let us spare a thought for the empty seats from those that left us behind. Our thoughts are with all of you who lost a loved one during the past year.

We certainly have had an entertaining year at TORC judging by the updates received. From Cape Town to Pretoria, it has been a memorable year with some vibrant outspans, most notable been our NAGM which was hosted by Laager 9 in Gqeberha. Looking forward to NAGM Gauteng 2025.

Let us all enjoy a well-deserved break, coming back stronger and refreshed for 2025.

Remember the word "Diet" is part of the usual New Year's Resolution. Enjoy those treats while you can and worry about the calories next year.

I am thankful for the support given to myself and my committee the past year. Here is to a prosperous 2025.

May you experience love, joy and laughter with your friends and family. Wishing you Merry Christmas and a Happy New Year!!!

Regards

Tim Waters
President TORC
