Rally Report

.....  
● Chumli Report : Lalanathi 11 to 20 July 2014 – Guinea - Goose  
.....

Why Guinea - Goose – There are Guinea Fowl and Geese in the park. The guinea fowls with one constantly making an alarm noise and the geese being the watch dogs and having a passion for Barbara Craig.

As no one agreed to write the rally report I am sending a short report.

I am not sure what name was chosen for the rally or exactly how many campers there were perhaps you can fill in the blanks for me?

*Guinea – Goose and 24 Campers – Ed*

The July rally held at Lalanathi was fairly small with 11 families camping. Some stayed only for the week-end while others managed 3 nights and 2 families stayed for 5 nights. The park management (Charlotte & Barry) were ever present and extremely helpful

and friendly and really go the extra mile to make sure everyone is happy.

By Friday evening everyone had arrived and set up camp. Thanks to Lynn Venter most of us had delicious homemade hamburgers for supper and afterwards socialized around the braziers as the evening turned rather chilly. We all made it to 9pm which was the mutually agreed upon bed-time.

Saturday was a beautiful warm sunny day. Graeme, Cynthia, Richard and Heather drove to Uvongo for the morning market and had their breakfast there.

Graeme returned with a fine looking yellow-wood tree which he plans to get Ted and Moira Albon to plant at the 50<sup>th</sup> birthday bash of the Natal section of the SACC in November. What a nice gesture.

Others spent the day on the beach and others just relaxed in the camp site. The braai fires were lit fairly early on Saturday evening after Chairman's chat because of the 7pm kick off time for the Sharks/Stormers rugby match. Dave and Yola Hanratty were welcomed to the club and Richard and Heather Winterbach received their badge for 125 rallies. Sunday was a sunny but rather windy day with everyone doing their own thing and most people breaking camp and heading home in the afternoon. Another enjoyable rally with fellow campers.
